The Pink 🌴 Cabana

Malibu, CA

Welcome to the Pink Cabana

A fun hip upscale restaurant and bar located in Malibu, CA. The Pink Cabana is a break from clubs and parties, but still allows you to have a fun night out. The restaurant has amazing food, but is more known for their fun pink inspired cocktails. There is a DJ located at the restaurant to keep the energy high.

The Pink Cabana will open their doors in Malibu, CA because there is no restaurant there quite like it. When looking to have a fun night by the Malibu waters, you are faced with expensive higher class restaurants. Every other restaurant is incomparable to the upbeat liveliness that occurs

at The Pink Cabana on a Saturday night. The food is upscale poolside cabana food like burgers, fries, pizza and pasta. We open our doors June 25, 2022 and are excited to see you there.
